Who is your favourite fairy tale character? How does he/she/it look?

What is he/she/it good at? Why do you like him/her/it? Please write in at least 30 words.

My favourite fairy tale character is Fairy Godmother. She looks like an old granny. She is a kind-hearted fairy with magical powers. I like her because she appeared when Cinderella has lost her hope.

Fairy Godmother transforms her into a beautiful princess so she could attend the grand ball. I wish I could meet Fairy Godmother one day.
